brand-new, high quality recorder
at an affordable price?

Trionics, LLC

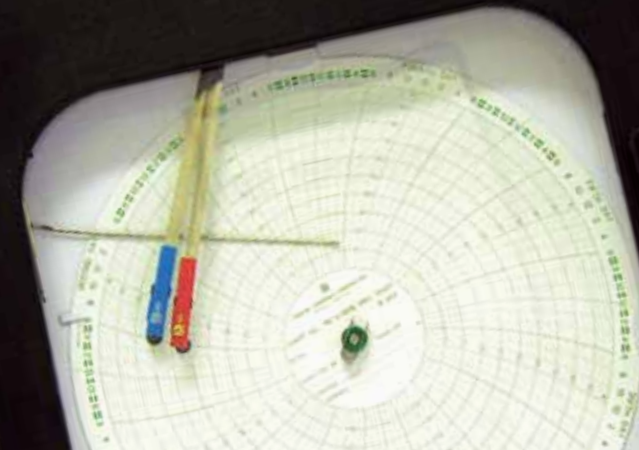

Chart Recorders

TRIONICS, LLC
Your Source for
BRAND NEW
Chart Recorders
and
Replacement Parts
affordably priced.

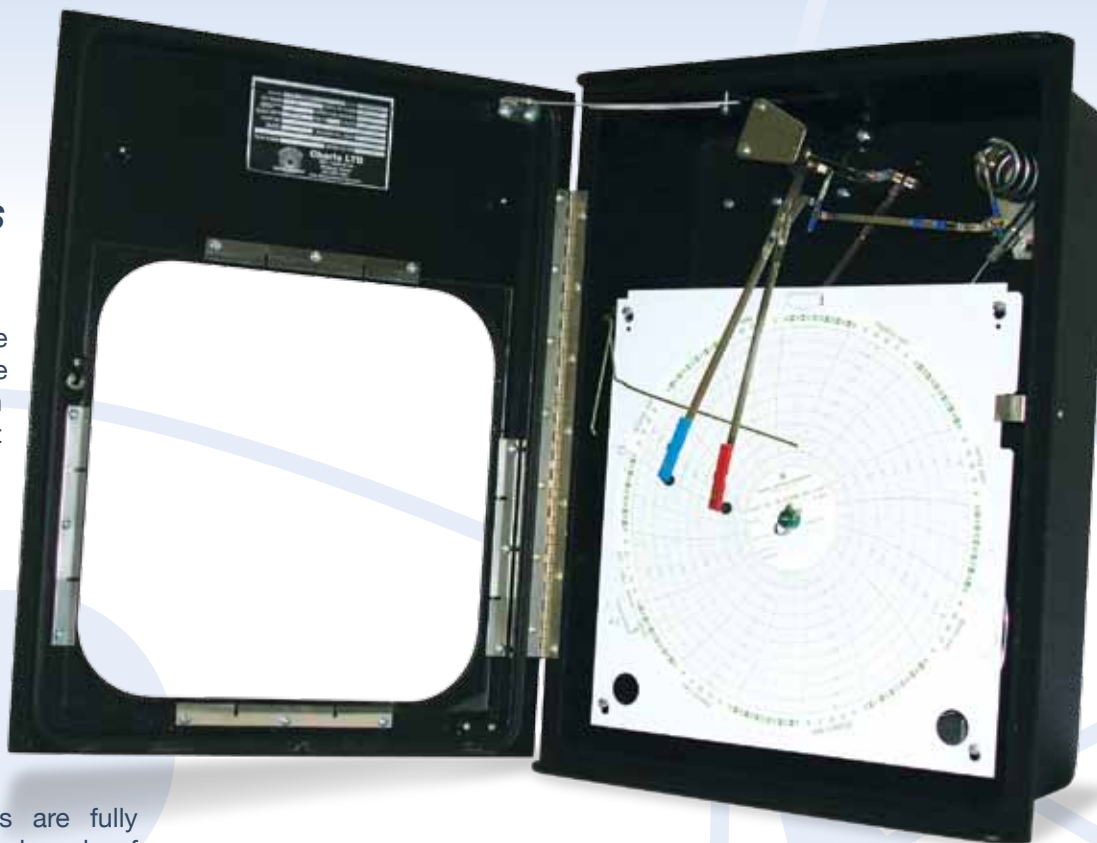

Trionics is pleased to announce that effective July 1, 2007, we have commenced delivery on our line of new dry-flow chart meters. All meter parts are being manufactured to our rigid specifications and are assembled to comply with your requirements. Additionally, the meters come with an industry leading warranty.

We also now offers a huge inventory of meter parts and offer same day shipping on parts orders. All stocked parts are fully interchangeable with the popular brands of competitive meters.

Trionics, Inc. also now offer a large inventory of single pen, dual pen, and three pen chart recorders and the finest bellows units in the industry designed to your specifications.

All chart recorders come with a calibration certificate.

Please contact us with questions or for a price quote.
